IBT approves balanced WBCCI budget for 2011-12

In an effort to maintain fiscal responsibility, the Wally Byam Caravan Club International Board of Trustees passed a balanced budget for the coming year.

To attain this challenge, the WBCCI executive officers requested a reduction in their reimbursement of travel expenses, receiving a 20 percent reduction in addition to the 25 percent reduction they received last year.

This additional 20 percent reduction represents an almost \$6,000 savings for the club in the coming year.

The format of the member directory will also be changed. When you receive your directory in January, 2012, you will notice that it is more like the "Blue Beret" magazine than the 5 1/2 inch by 8 1/2 inch publication that you have received in the past. The publication of the member directory will replace the January issue of the "Blue Beret." According to Ralph Forrester, chairman of the budget committee, these changes will realize a savings of \$11,400.

will be voting on a proposed amendment to the existing constitution – Article VI, Section 2. The amendment asks that the following paragraph "C" be inserted and the remaining paragraphs be relettered to accommodate this insertion:

Message from President Louise Humble

The International at DuQuoin is over and it seems that the weather with its 17+ inches of rain, an F1 tornado and a few days of very intense heat was the big news. However, several other things did occur that should be of interest to our members. Two IBT meetings were held and information about them can be found elsewhere in this Region Report. The delegates meeting had some good discussion about the proposed constitution revision with some excellent comments contributed by delegates from Region 5.

Not all was work however. Region 5 did quite well in the many games and contests, winning prizes in everything from bulletin boards to bridge along with many craft and hobby entries. A final list of all the winners is listed on page 2 in this report.

Looking ahead, it is time to begin seriously planning for the Region 5 rally in September in Danville, IN. If you have never been to a region 5 rally, this is a good year to consider doing so. (continued on page 2)

Region 5, local talent highlight entertainment for Region Rally

The Region 5 Rally Sept. 14-18 at the Hendricks County Fairgrounds in Danville, Indiana, will feature a variety of entertainment over three nights.

An interesting addition to the entertainment mix this year, by popular demand President Louise Humble emphasizes, is homegrown talent. One night is going to be devoted to performances by the talent in the individual units in Region 5. A wide range of interesting and entertaining performances is anticipated.

The other two nights of entertainment will feature professionals from the Danville area. One is a country singer with a song on the country charts and the other is a motivational speaker who has his own television program.

The motivational speaker is Philip Gulley, a Quaker pastor who has become the voice of small-town American life. He has written a book, "Porch Talk," a collection of personal essays.

Not only will you receive a discounted rally fee, but there is also a special seminar on Wednesday afternoon of the rally just for first timers. It is informative and informal and can help you get the most out of your rally experience.

Among the enjoyable events occurring during the Region rally is the golf outing. There are several good golf courses in the Danville area and one of them will be your destination for this event. Be sure to bring your golf clubs. Sign up during registration so the chairman can make the appropriate arrangements.

Bean Bag Baseball was quite a hit in our region last year and there will again be

another game during the Region Rally. Remember that age is no excuse for sitting on the side lines in this game as EVERYONE can play. I can personally tell you that skill is no excuse either as I lack a lot of it and I still had a lot of fun. Plan on joining in on the laughs!

It's not too early to be thinking about door prizes for the rally. Handmade items are particularly nice and we would like to have enough gifts donated that everyone can receive a door prize.

I just checked the temperature and it is only 97 degrees outside so I guess I'd better get out and enjoy this fine weather before it really gets hot!! Jerry and I will see you down the road.

Constitutional amendment on agenda for 2012

(Continued from page 1)

A motor home manufactured by a division of Thor Industries, Inc., the parent company of Airstream, Inc.”

The rationale as written by the maker of the motion, June Ryan, President of Region 8 (at that time), says: “We are losing members as their Airstream Motor homes age and become no longer road worthy. Not being able to purchase a qualified motor home they may choose to purchase another brand and drop their membership. If they are Life Members it would be a commitment to WBCCI.”

The delegate vote on the constitution revision has been delayed for one year. This delay will allow each of our units to hold further discussion, if necessary, during their subsequent business meetings. These discussions should focus on any changes to the revision the unit might feel are necessary and end in the spring with voting instructions for the unit delegate on each section of the proposed revision.

Other business included by-law amendments that allow a name change for one of the units, allow a region officer to serve as a region officer again as long as this does not involve consecutive terms in the same office, the establishment of a Tech Help standing committee and a change in the deadline for some of the information for the “Blue Beret”.

Centerpieces promoted tourism

The Southern Illinois Unit was responsible for the clever table decorations at the Region 5 lunch in DuQuoin. Betty and Jim Hutchens headed the committee. Each table decoration was symbolic of a tourist attraction in the Southern Illinois area...Land of Lincoln, St. Louis, River to River, wine trails of Southern Illinois, Gateway to the West, BBQ at its finest, coal fields of Southern Illinois, Southern Illinois University, national shooting range and DuQuoin State Fairgrounds.

2011 Region 5 Computerfest features seminars, one-on-one help sessions

Bring door prizes to Region 5 Rally

Anita Koch, chairperson, and Lillian Kortum, assistant chairperson, for the Region 5 Rally Door Prize Committee encourage Units to contact RV dealers and other companies in their area for donations as door prizes at the Region 5 Rally in Danville, Indiana.

They emphasized that quality is more important than quantity and that donations should be wrapped. Item donors should be identified so they can be thanked by the lucky recipients.

The donated items should be brought to the kitchen area for safekeeping.

Levi Riggs has become a singer to watch in Nashville, Tenn. since his chart-topping single.

He's 26 years of age and a Danville, Ind. native and Purdue University graduate. He has already launched his own record label — Windridge Records LLC — named

RIGGS

after his uncle's dairy farm. Under this label he released his first single, “F-150,” that rose to No. 19 on the New Music Weekly country music chart.

Riggs is playing as many shows around the country as he can to build up a fan base and improve his on-stage performance. He continues to keep his steady-paying job as a sales manager for Syn-genta's Garst Seed.

support Sheltering Wings.

Sheltering Wings is a domestic violence shelter located in
Danville, Indiana (Hendricks County). It provides emergency
housing for women and children suffering from any form of

The agency was founded in 1999 as a 501(c)3 non-profit
organization by a group of volunteers at Cornerstone Christian
Church in Brownsburg, Indiana. Within a little over a year, \$1.3
million was raised and construction began in early spring of
2001.

In January 2002 the agency opened its doors and began serv-
ing families with safe shelter and essential programming. Since
that time Sheltering Wings has provided safe housing to more
than 890 women and 1,110 children from throughout Indiana
and the United States, and have provided resources to over

Karen Bell from the Central Indiana Unit and Carol White
from the Southern Illinois Unit are co-chairs of the Community
